**ISLANDER**  
 CAMPERS

We at **Islander Campers** take great pride in our expertise in manufacturing our quality range of Slide On Campers. The **Islander** range of hard top and pop top Slide On Campers offer a cost effective and versatile form of touring virtually anywhere in our great country.

## THE BEST KEPT SECRET UNDER DOWN UNDER

\* **Islander** Slide On Campers are light weight and aerodynamically designed for strength, fuel efficiency and stability.

\* **Islander** build both Pop Top and Hard Top models.

\* No registration is required for the **Islander** Slide On Campers, therefore no cost whilst not being used.

\* Whilst you are using your **Islander** Slide On Camper you can still tow a boat or trailer, allowing for a larger range of holiday options.

\* **Islander** manufacture standard size Slide On Campers including 2.3 metre (for extra cabs), 2.5 metre for all standard 1 tonne flat trays and 3 and 3.5 metre units for larger vehicles.

We also custom build to suit almost any requirement.

3 into Prestige Model

\* A fee applies to own designs ordering changes.

\* **Islander** Slide On Campers are easily removed from the vehicle that carries them, allowing you to use your vehicle for day trips, shopping or any other separate activity. You do not have to take your home everywhere you go!

\* When you need to change your vehicle, you may keep your **Islander** camper.

Simply place your camper on your new ute.

\* The **Islander** Slide On Campers are one of the most spacious and area efficient forms of camping.
