

ISLANDER CAMPERS

presents

Leven 2.4 RD

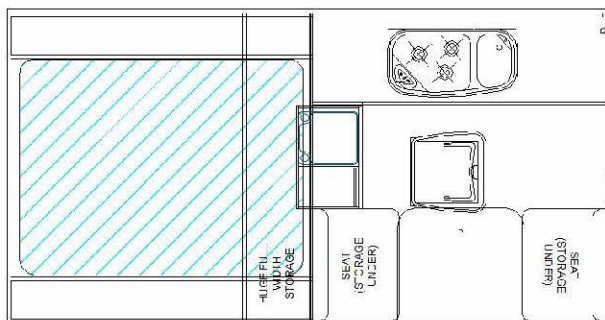

The Leven slide on camper makes travelling a breeze and is packed full of quality features to ensure you travel in comfort, style and safety.

The slide on camper is constructed from light weight fibreglass panel and has outstanding insulation properties. The aerodynamic shape of the Leven 's electric powered roof gives the Leven it's stylish exterior and fuel saving. While in transit you are still able to use the camper with the roof down so having a break is easy.
